A Faith Encompassing All Creation: Addressing Commonly Asked Questions about Christian Care for the Environment (Peaceable Kingdom)

Even as evidence accumulates that humans have significantly contributed to global climate change, many Christians have questions about what it means to care for creation. Some question whether focusing on creation care takes away from a person's spirituality or from caring for other humans. Others wonder to what extent we can live peaceably with nonhuman creation. Still others wonder whether we should be better stewards of the environment and whether developing better technology might save us from the current crisis. The diverse authors of this volume address these questions in an accessible way.
