A. Scott Boddie

A. Scott Boddie Bundle 2 A. Scott Boddie

The fabulous Swishy Pete lives in upper Manhattan with his brassy, sassy friends, Minnie, Char, and Delicious. You'll recognize him the minute he opens his mouth. He's out and proud, overly talkative, and in your face. A typical New Yorker, but as soon as you meet him, you will never forget him. Conversations with Swishy Pete Volume I gathers together twelve flash fiction episodes featuring Swishy Pete and his friends as they dish on life in the Big Apple. Sometimes deep, often humorous, these short stories bring a fresh perspective that redefines GLBT stereotypes. So, honey, come listen in as Pete tells it like it is. Friends of Dorothy -- FOD. I first heard the expression when I was sixteen, and it wasn't until my twenties did I realize what it meant. I became a writer because words and the ways humans used them fascinated me. No matter what language, words are more dynamic than violence, more cohesive than rage, and satirically compelling. FOD is a euphemism that originated during the Second World War. New York Socialite Dorothy Parker was an American poet with a close-knit of gay male friends in her social circle. If you were one of those fabulous gay men, you were referred to as a "friend of Dorothy." Monologues are driven by characters thinking aloud, expressing their inner thoughts. Sometimes dramatic, sometimes humorous, the monologues in this collection are riddled with true situation, expressions, and voices. The monologues are about no one and regarding everyone, but they aren't for the faint of heart. They are gritty and unnerving, a wonderful insight into gay dimensions rarely given voice. Charles is an average gay man, full of hope for finding a boyfriend he can call his own, but he's riddled with insecurities about his weight. When he meets a hottie named Terry at a local bar in the gay Mecca of New York City, he's surprised and pleased at the sudden attention. But Terry has an ulterior motive in hooking up with Charles, one which has nothing to do with sex.
