Mike Emmerson is a notoriously tardy student. He will be always late with almost anything. One day, after getting annoyed at his alarm clock and hitting it, it spoke! And it was angry at him.

The boy ignored the clock, but he only made it angrier. It forbid him to go outside by teleporting him to his closet every time he goes out the door and letting him step on a Lego piece in the process.

However, the alarm clock has another reason that made it talk to Mike. What could it be? Could this mean trouble for young Mike?

Read on and find out the answers as you learn a lesson from the adventures of Mike and his magical alarm clock.
