*What power can bruise the sky?*

Two worlds are poised on the brink of a vicious war. By way of a staggering deception, Karou has taken control of the chimaera's rebellion and is intent on steering its course away from dead-end vengeance. The future rests on her.

When the brutal angel emperor brings his army to the human world, Karou and Akiva are finally reunited--not in love, but in tentative alliance against their common enemy. It is a twisted version of their long-ago dream, and they begin to hope that it might forge a way forward for their people. And, perhaps, for themselves.

But with even bigger threats on the horizon, are Karou and Akiva strong enough to stand among the gods and monsters?

The *New York Times* bestselling Daughter of Smoke & Bone trilogy comes to a stunning conclusion as--from the streets of Rome to the caves of the Kirin and beyond--humans, chimaera, and seraphim strive, love, and die in an epic theater that transcends good and evil, right and wrong, friend and enemy.
