Eon--the award-winning crossover fantasy that soars!

Sixteen-year-old Eon has a dream, and a mission. For years, he's been studying sword-work and magic, toward one end. He and his master hope that he will be chosen as a Dragoneye-an apprentice to one of the twelve energy dragons of good fortune.

But Eon has a dangerous secret. He is actually Eona, a sixteen-year-old girl who has been masquerading as a twelve-year-old boy. Females are forbidden to use Dragon Magic; if anyone discovers she has been hiding in plain sight, her death is assured.

When Eon's secret threatens to come to light, she and her allies are plunged into grave danger and a deadly struggle for the Imperial throne. Eon must find the strength and inner power to battle those who want to take her magic...and her life.

From reader reviews:

Ryan Maggard:

The book Eon can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book Eon? Some of you have a different opinion about reserve. But one aim this book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or information that you take for that, you could give for each other; you are able to share all of these. Book Eon has simple shape however, you know: it has great and large function for you. You can appearance the enormous world by wide open and read a reserve. So it is very wonderful.

Fernando Gallimore:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only the story that share in the ebooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some investigation before they write to their book. One of them is this Eon.

Hattie Robb:

The reason why? Because this Eon is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book include such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Joshua Hsu:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Eon can make you feel more interested to read.
