Can a young widow find love again with her husband's reflection?

Haley's three-year marriage to Sam, an army medic, ends tragically when he's killed in Afghanistan. Her attempts to create a new life for herself are ambushed when she arrives home one evening—and finds her husband waiting for her. Did the military make an unimaginable mistake when they told her Sam was killed?

Too late to make things right with his estranged twin brother, Stephen discovers Sam never told Haley about him. As Haley and Stephen navigate their fragile relationship, they are inexorably drawn to each other. How can they honor the memory of a man whose death brought them together—and whose ghost could drive them apart?

Somebody Like You is a beautifully rendered, affecting novel, reminding us that while we can't change the past, we have the choice to change the future and start anew.
