***One Daring Widow***

In the social whirl of Regency England, Elizabeth Chudderley is at the top of every guest list, the life of every party, and the belle of every ball. But her friends and admirers would be stunned to know the truth: that the merriest widow in London is also the loneliest. Behind the gaiety and smiles lies a secret longing—for something, or someone, to whisk her away. . . .

***One Reluctant Suitor***

Raised in scandal, Lord Michael de Grey is convinced that love is a losing gamble—and seduction the only game worth playing. But when duty threatens to trump everything he desires, the only way out is marriage to a woman of his brother's choosing. Elizabeth Chudderley is delightful, delicious—and distressingly attractive. With such a captivating opponent, Michael isn't quite sure who is winning the game. How can such passionate players negotiate a marriage of necessity—when their hearts have needs of their own?
