The New Jim Crow

Michelle Alexander

The New Jim Crow Michelle Alexander

Once in a great while a book comes along that changes the way we see the world and helps to fuel a nationwide social movement. *The New Jim Crow* is such a book. Praised by Harvard Law professor Lani Guinier as "brave and bold," this book directly challenges the notion that the election of Barack Obama signals a new era of colorblindness. With dazzling candor, legal scholar Michelle Alexander argues that "we have not ended racial caste in America; we have merely redesigned it." By targeting black men through the War on Drugs and decimating communities of color, the U.S. criminal justice system functions as a contemporary system of racial control—relegating millions to a permanent second-class status—even as it formally adheres to the principle of colorblindness. In the words of Benjamin Todd Jealous, president and CEO of the NAACP, this book is a "call to action."

Called "stunning" by Pulitzer Prize–winning historian David Levering Lewis, "invaluable" by the *Daily Kos*, "explosive" by *Kirkus*, and "profoundly necessary" by the *Miami Herald*, this updated and revised paperback edition of *The New Jim Crow*, now with a foreword by Cornel West, is a must-read for all people of conscience.
