Toby: A Novel

David Johnson

Toby: A Novel David Johnson

Symphony Nelson has weathered more than her share of hardships—in part thanks to the faithfulness and affection of her adopted puppy, Toby. Her formerly chaotic life seems to be settling down, until a peaceful walk in the woods leads Symphony and Toby to the reclusive cabin of Caleb Showalter, who knows more about her past than he's telling.

When an old friend resurfaces and expresses his affection, Symphony warily longs for love, and it is Toby that nudges her toward pursuing a reconnection. But when violence strikes at the hands of her possessive boyfriend, Symphony's trust is shattered once again.

Just when Symphony's faith in humanity seems lost, Toby is injured in the woods, and she has no choice but to reach out to Caleb for help. Together, they face their fears and lost trust head-on. If they can save Toby, they might be able to let go of the past and to believe in the goodness of others—and themselves—once again.

From reader reviews:

Terry Palladino:

This book untitled Toby: A Novel to be one of several books this best seller in this year, that's because when you read this guide you can get a lot of benefit on it. You will easily to buy that book in the book store or you can order it through online. The publisher in this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Touch screen phone. So there is no reason for your requirements to past this book from your list.

Carolyn Foley:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Toby: A Novel.

Gary Clark:

In this era globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you personally is Toby: A Novel this publication consist a lot of the information with the condition of this world now. This book was represented how does the world has grown up. The dialect styles that writer value to explain it is easy to understand. The particular writer made some analysis when he makes this book. This is why this book suited all of you.

James McFarland:

Many people spending their period by playing outside together with friends, fun activity having family or just watching TV all day long. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can definitely hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Touch screen phone. Like Toby: A Novel which is getting the e-book version. So , why not try out this book? Let's notice.
