Certified Associate in Project Management (CAPM) Certification

These questions are similar to the ones asked in the actual Test.

How should I know? I know, because although I have been working as a Project Manager for many years, I have myself recently certified with the latest version of the Certification test.

Before you start here are some Key features of the Certification Exam.

Eligibility requirements Education: Secondary diploma (high school diploma / global equivalent).

Eligibility requirements Project Experience: 1,500 hours of professional experience on a project team OR 23 contact hours of formal education.

The exam is Computer based and you have 180 minutes to answer 150 Questions.

The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer.

Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points.

You are not allowed to use any reference materials during the certification test (no access to online documentation or to any system).

Clearing the Certification will not automatically lead you to a job.

However a Certification with some experience will certainly open a lot of doors for you.

So if you have little or no experience, you should get yourself certified, get some project experience, and then the whole of the project management World open for you to explore.

Helping you with the first step on your ladder to success is this book!

Some UNIQUE features of this Book:

- There is NO Other quality material in the market for this Certification exam.
- The author has himself cleared the exam.
- All questions are multiple choice format, similar the questions you will get in the actual exam.
- Over 400 authentic questions, testing the exact same concepts that will be tested in Your exam!
