Getting Started Knitting Socks (Getting Started series) Ann Budd

From cast-on stitches to binding off, this handbook details the simple steps needed to turn seemingly complicated sock knitting projects into easy and enjoyable activities. Helpful photographs and instructional drawings ensure that even inexperienced knitters will be able to produce high-quality socks and handle more complicated techniques, such as the Kitchener stitch at the toe. Using instructions for five different sizes--from child through adult large--at five different gauges, knitters can produce styles ranging from delicate dress socks to thick and furry slipper socks. More adventurous knitters can add variety and flair by following one of 16 unique designs or trying one of the dozens of rib, cable, and lace patterns provided. With plenty of tips and a handy stitch dictionary, this guide unleashes the creativity and fun of sock knitting.

From reader reviews:

Eileen Lopez:

Precisely why? Because this Getting Started Knitting Socks (Getting Started series) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

Norma Eberhart:

Are you kind of busy person, only have 10 or even 15 minute in your moment to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you have problem with the book compared to can satisfy your short time to read it because this all time you only find guide that need more time to be go through. Getting Started Knitting Socks (Getting Started series) can be your answer as it can be read by anyone who have those short extra time problems.

Robert Shaw:

In this time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended to you personally is Getting Started Knitting Socks (Getting Started series) this book consist a lot of the information on the condition of this world now. This particular book was represented how can the world has grown up. The language styles that writer use to explain it is easy to understand. The writer made some study when he makes this book. Here is why this book suitable all of you.

Eugene Hughes:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Getting Started Knitting Socks (Getting Started series) can make you truly feel more interested to read.
