The Scavenger's Daughters (Tales of the Scavenger's Daughters) Kay Bratt

Having survived torture and imprisonment during China's Cultural Revolution, Benfu escaped to find love with his compassionate and beautiful Calla Lily. Together they build a fulfilling life around the most menial of jobs—Benfu's work collecting trash. As he sorts through the discards of others, he regularly discovers abandoned children. With unwavering determination, he and Calli spend decades creating a family of hand-picked daughters that help heal the sorrow and brighten their modest home. But all is not perfect and when crisis threatens to separate their family, Benfu—or possibly his band of headstrong daughters—must find a way to overcome the biggest hardship yet.

Inspired by a true story, and set against the backdrop of a country in transition, *The Scavenger's Daughters* is a sweeping present day saga of triumph in the face of hardship, and the unbreakable bonds of family against all odds.
