*Welcome to Debbie Macomber's Cedar Cove! This is small-town life at its best—and its most interesting...*

Meet some of the people living here:

16 Lighthouse Road. This is Olivia Lockhart's home. She's a family court judge known for her controversial judgments—like the divorce petition she denied. Thanks to an article by Jack Griffin, editor of the local paper, everyone's talking about it! And then she and Jack start seeing each other outside of the courtroom....

204 Rosewood Lane is where Olivia's lifelong best friend, Grace Sherman, lives. Grace is the local librarian and her life has been uneventful—until now. Her husband disappeared 6 months ago. She and her daughters have no idea where Dan is, what happened to him, who he might be with. Will they ever find out?

311 Pelican Court is the residence belonging to the Cox family—Zach, Rosie and their kids. Zach and Rosie are divorced, but they have an unusual custody arrangement. It's another one of Judge Lockhart's controversial judgments: the kids get to stay in the house while Zach and Rosie go back and forth!

44 Cranberry Point is a B and B owned by Bob and Peggy Beldon; it's also their home. They've had a shocking incident recently—a man died while he was staying there! They don't know why he came to Cedar Cove, who killed him or why....

These are the first four stories set in Cedar Cove, Washington. Read the books and watch the Hallmark Channel original series based on them. This is your chance to get introduced to the town and the people. Once you've visited, you'll definitely come back!
