Today's kindergarten curriculum is quite the eye-opener compared to just ten years ago where they'll be expected to read their first books aloud.

Join Lil' Red Waggin' and Rhyming Bird as they go on adventures in learning! Preschoolers to age 7 will love the colorful pictures as they follow along and learn to recognize highlighted core sight words familiar to all early-reading curriculum.

Rhyming Bird speaks in fun and adventurous rhymes kids will love. Volume I highlights the first set of sight words and subsequent volumes add to childrens' reading readiness with each new set of these must-know words--words they're expected to recognize on sight.

Fun dialogue and rhymes teach about the world around these two colorful characters and repetitive prose instills a solid foundation of pattern recognition. Preschoolers learn without being pressured while keeping their efforts fun and engaging. Kids will have fun with the hidden object page at the end of each book.

Give your child a rich foundation with learning words, colors, numbers, shapes and patterns--all while you entertain them in waiting rooms, at bedtime and anytime you need to keep your preschooler occupied.
