Tess of the d'Urbervilles

Thomas Hardy

Tess of the d'Urbervilles Thomas Hardy

Tess Durbeyfield, a peasant girl and cast-off descendant of English aristocracy, has become one of the most famous female protagonists in 19th-century British literature. Betrayed by the two men in her life - Alec D'Urberville, her seducer/rapist and father of her fated child; and Angel, her intellectual and pious husband - Tess takes justice, and her own destiny, into her delicate hands. In telling her desperate and passionate story, Hardy brings Tess to life with an extraordinary vividness that makes her live in the heart of the reader long after the novel is concluded.
