## **Thomas Kinkade: 25 Years of Light** Thomas Kinkade

What I paint touches on foundational life values. Home, family, peacefulness. And one of the messages I try to constantly get across is slow it down and enjoy every moment." --Thomas Kinkade

Thomas Kinkade sold more canvases than any other painter in history-more than Picasso, Rembrandt, Gauguin, Monet, Manet, Renoir, and Van Gogh combined.

Thomas Kinkade, the celebrated Painter of Light, is the most widely collected artist in the world. His tranquil, light-infused paintings affirm the basic values of family, home, faith in God, and the beauty of nature. To commemorate the 25th anniversary of Thomas Kinkade's first published work, *Thomas Kinkade: 25 Years* collects more than 150 of his most beloved paintings, personal mementos, and unpublished artworks to create a stunning, lavishly produced retrospective of his unprecedented career.

Inside the book's pages, Thomas Kinkade's luminous images of lighthouses and seascapes mingle with his magnificent landscapes, quaint villages, and inviting front porches to illustrate a story of personal and professional growth. Each chapter begins with an introduction chronicling a milestone in Thomas Kinkade's life and artistic development, followed by beautiful, full-color reproductions of some of his favorite paintings. Exclusive photographs, family mementos, and never-before-seen unpublished artworks document Thom's life like a personal scrapbook, from childhood through his formative years as a student, to his present status as America's most beloved artist. No other book has given his legions of fans such an up close and personal look at his life.

Thomas Kinkade received numerous accolades for his works on and off the canvas, including multiple National Association of Limited Edition Dealers (NALED) awards for Artist of the Year, Graphic Artist of the Year, and nine awards for Lithograph of the Year. NALED also heralded Thomas Kinkade as the Most Award Winning Artist in the Past 25 Years. He commemorated a number of important milestones in American heritage, including the Salt Lake City 2002 Olympic Winter Games, the 2002 World Series, and Disneyland's 50th anniversary. He was also involved in a number of nonprofit organizations focusing on children, humanitarian relief, and the arts.

This great information can drawn you into brand new stage of crucial contemplating.

#### **Cami Raley:**

Is it a person who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Thomas Kinkade: 25 Years of Light can be the answer, oh how comes? A book you know. You are so out of date, spending your free time by reading in this new era is common not a geek activity. So what these guides have than the others?

#### **Christopher Evan:**

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Thomas Kinkade: 25 Years of Light can make you really feel more interested to read.
