For fans of the dark comedy film Tie Me Up, Tie Me Down comes an erotic exploration in domination and submission where Ivy League students let their naughtiest desires run wild... If you think my besties Lex, Taddy, and Vive have had some bad luck earlier this year, cut to me at Glamorama. Last thing I remembered was dancing with Diego and Miguel from my English class, when the room started... spinning. And not in a good way! We got sick. Think Regan in The Exorcist. Taddy was rushed to the hospital. Holding on for dear life, I was carried out by the boys and taken back to their dorm. Now I'm waking up in Diego's bed and Miguel keeps staring at me from across the room. I've wanted to get into these dudes' pants since the first day of class. But Diego told me he likes to be tied up and—wait for it—spanked. WTF! The news on TV reports that last night we all got roofied. And Vive just texted me saying that someone is out to kill her. Could this semester get any more bizarre? —Blake Morgan, college freshman, gay best friend, virgin The Undergrad Years is a naughty new adult contemporary miniseries about first loves, independence, and everlasting friendships.
