2012-2015: The Season of Return? T.W. Tramm

What do the "Feasts of the Lord," the ancient Hebrew jubilee cycles, Isaac Newton's Interpretation of Daniel 9, blood moon eclipses, the Mayan Long Count calendar, and even increasing UFO activity have in common? They are all pieces of a larger puzzle, a puzzle that when assembled points directly to a specific timeframe -- 2012-2015 -- as likely to herald the fulfillment of major biblical prophecies. Take a fast-paced tour through a fascinating array of topics you will not find covered in any other single book, as the author interweaves the beliefs of the Early Church with the interpretations of famed scientist and Bible scholar Isaac Newton, and applies both to some recently discovered "signs," to arrive at a stunning conclusion: the Season of Return is upon us.
