**A Still Small Voice: God Still Speaks...Are You Listening?** Shirley D. Simmons

A Still Small Voice lets you travel through the rubble of a broken life restored by Grace. For the first thirty years of my life, I heard only the voices around me. My parents. My grandparents. My aunts. As I grew older, other voices came along. Teachers. Peers. Friends. Employers. Co-workers. Husband. Children. All with an opinion concerning my life. I became full of anger, depression, and rebellion...and I didn't know why. It was only when I learned to listen to a still small voice within that I began to live, and to experience joy and excitement. That still small voice led me to a pulpit. It can as easily lead one to be a talk-show host, a baseball player, or a stay-at-home mom. It is the only voice that can lead anyone to their true self and destiny. Listen for it.
