An Apology To My Son DAD

An Apology to My Son, is a book that addresses the hurt that young men deal with when their fathers have not been an active participant in their lives. There are many circumstances as to why and how often a father is absent; however, the common denominator that resonates in the hearts and minds of the fatherless is the thought: my father was not there when I needed him; how different would my life be, if he had been involved? The book brings a new contribution by attempting to: Give a voice to the absent father, who apologizes to the son for not being present; B. Initiate communication or bridge a relationship between the absent father and his son; C. Give a shadow of hope or closure to young men and men who will never meet their fathers; D. Support fathers who do not have a healthy relationship with their Son. This book was created for the son, in all men.
