How to Be Brave Louise Beech

When nine-year-old Rose is diagnosed with a life-threatening illness, Natalie must use her imagination to keep her daughter alive. They begin dreaming about and seeing a man in a brown suit who feels hauntingly familiar, a man who has something for them. Through the magic of storytelling, Natalie and Rose are transported to the Atlantic Ocean in 1943, to a lifeboat, where an ancestor survived for 50 days before being rescued. This simply unforgettable debut celebrates the power of words, the redemptive energy of a mother's love—and what it really means to be brave.
