Red Carolinians Chapman James Milling

From dust jacket notes: "Originally published in 1940, this portrait of the Indians of North and South Carolina has become a classic. It is now reprinted not only because it is still the most complete book on the subject, but also because the author, Chapman J. Milling, a practicing physician in Columbia, South Carolina, has an easy, natural eloquence in his style that makes his writing durable. Sixteen pages of half-tone illustrations are included."
