Heaven is finally having Saxon Gray in my arms. Hell is knowing that I might lose him.

After I spent years loving him from a distance, the president of the Hellfire Riders MC is finally mine. Every day he's at my side; every night he's in my bed. It would be everything I'd ever wanted, except my dad is sick, and trouble is brewing now that Saxon's club is taking over my father's. Because bad blood between the two MCs still lingers, and an old rule requiring Saxon to share me with the other club members is being used as a weapon, forcing him to choose between me and the Hellfire Riders.

And I don't know if he'll choose me...or how far I might go to keep him.
