Terror Over Jerusalem. Volumne 1: A Commentary on the Clash of Civilizations between Judeo-Christianity and Militant Islam (Volume 1) James Henderson

Jerusalem is ground zero in a clash of civilizations between militant Islam and Judeo-Christianity. The Temple Mount is the epicenter. There are no safe harbors left in this clash of civilizations. America's support for Israel has pulled us into the vortex. Appeasement will only invite our destruction, for Militant Islam has cast an ominous shadow over the nations. Their quest is world domination for Islam in a revived Caliphate operating under Sharia law. Will they succeed? Terror Over Jerusalem surveys 2500 years of biblical and secular history to give a comprehensive analysis of how, why and when the forces of Islam arose. Terror Over Jerusalem reveals that the biblical prophets Daniel and John predicted that Militant Islam will eventually come to its final destruction. - Is the present conflict in the Middle East a fulfillment of this ominous prediction? - Will the Papacy move its center to Jerusalem to resolve the mortal struggle between three religions, all claiming descent from the Patriarch Abraham? With riveting detail Henderson shows how the United States, the Papacy, and Europe will bond in an attempt to put an end to Islamic terrorism forever. But even more gripping is Henderson's contention that this event will also usher in Armageddon and the Second Coming of Christ.
