**The Professional Poker Dealer's Handbook: Expanded Edition** Dan/ Harris, Donna/ Malmuth Paymar  
Revised 10/2009 to better cover NLH and the shuffle machines. The Professional Poker Dealer's Handbook by Dan Paymar, Donna Harris, and Mason Malmuth. The poker industry has grown at a phenomenal rate during the past few years. It wasn't that long ago that only a few Nevada casinos had small poker rooms as an accommodation for its casino customers. But times have changed. Today there are many locations throughout the country that offer poker including several "giant" poker facilities. However, with this explosive growth, there are a few "growing pains," and a lack of quality dealers is immediately apparent to anyone who either plays poker or works in the industry. Dealing poker is one of those occupations that look easy when performed by a top quality dealer. You too can achieve this status with practice and effort. In fact, the best dealers not only perform their job in a seemingly effortless manner, they enjoy what they are doing. It is our hope that this text will establish a standard in the industry. It will assure that poker continues to grow and prosper in the future. It is the ultimate book for anyone interested in a career as a professional poker dealer.
