Closing In Sue Fortin

For fans of Emily Barr & Rosamund Lupton

Helen has had to leave everything she's ever known behind; her home, her family, even her own name.

Now, returning to the UK as Ellen Newman, she moves to a small coastal village, working as a nanny for Donovan, a criminal psychologist. Attractive, caring and protective, this single father and his sweet daughter are a world away from Ellen's brutal past. She thinks she's escaped. She thinks she's safe.

But Ellen can't shake the feeling that something's wrong.

Strange incidents begin to plague her new family, and their house of calm is about to become one of suspicion and fear. Who can be trusted? Who is the target? Who is closing in?

From reader reviews:

Wanda Woods:

Do you considered one of people who can't read satisfying if the sentence chained from the straightway, hold on guys that aren't like that. This Closing In book is readable by means of you who hate those straight word style. You will find the information here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to offer to you. The writer connected with Closing In content conveys thinking easily to understand by many people. The printed and e-book are not different in the written content but it just different in the form of it. So , do you nonetheless thinking Closing In is not loveable to be your top collection reading book?

Robyn Pugh:

The event that you get from Closing In will be the more deep you rooting the information that hide inside words the more you get serious about reading it. It doesn't mean that this book is hard to comprehend but Closing In giving you thrill feeling of reading. The copy writer conveys their point in selected way that can be understood by simply anyone who read the idea because the author of this reserve is well-known enough. This particular book also makes your personal vocabulary increase well. So it is easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having this Closing In instantly.

Philip Kirkpatrick:

This Closing In is great reserve for you because the content that is full of information for you who all always deal with world and possess to make decision every minute. This specific book reveal it details accurately using great plan word or we can state no rambling sentences included. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having Closing In in your hand like obtaining the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world inside ten or fifteen second right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. hectic do you still doubt which?

Louise Denison:

Is it anyone who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Closing In can be the respond to, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?
