Praise for the Angel's Edge Series:

"Vicki Keire is a master with the written word. I first picked this book up at ten o'clock at night and immediately knew I was going to lose some major sleep. The underlying premise is so unique, and the writing an exercise in beauty, the entire experience took my breath away. Ms. Keire knows how to create amazing chemistry between her characters and believe me there were some steamy scenes. I also loved the fact that each character is multi dimensional and the setting was as well. I cannot wait to read the next installment." ~Addison Moore, NYT Times and Wall Street Journal bestselling author of the Celestra series

About Gifts of the Blood:

A dying brother. A young man with golden planes of light on his back. A blind chess wizard. An insane angelic kidnapper in flamboyant red leather. A town with more secrets than stoplights. A cat that talks to spirits. Waking up with eyes the color of moonlight.

Before her world tilts towards impossible, Caspia Chastain thinks the only strange thing about her is that she sometimes draws the future. Only her brother Logan, fighting his cancer diagnosis, knows what she can do. When she draws a man surrounded by brilliant light, dark wings, and frightening symbols, she can only hope the vision won't come true.

But when a stranger named Ethan appears, determined to protect Caspia and her brother from dangers he won't explain, she's not sure what to think. Strangers almost never come to Whitfield. They certainly don't follow her around, frightening her one moment and treating her like glass the next. And they certainly don't look exactly like the subject of her most violent drawing.
