Walter Simonson

Orion by Walter Simonson Omnibus Walter Simonson

In 2000, legendary writer/artist Walter Simonson, best known for his work on DC's Manhunter and Marvels' Thor, treated comics fans to his vision of Jack Kirby's Fourth World mythology. At the center of the series was the conflict between Orion, born on the violent world of Apokolips but raised on peaceful New Genesis, and his father, Darkseid, ruler of Apokolips. Focusing on the clash between father and son, the series features most of the Fourth World heroes and villains created by Jack Kirby, as Darkseid seeks the deadly anti-life equation - and Orion battles to stop him from eradicating life as we know it!

This title also includes short stories written by Simonson and illustrated by Frank Miller, Dave Gibbons, Howard Chaykin, Jim Lee and others.

Collects ORION #1-25 and stories from JACK KIRBY'S FOURTH WORLD #9-11 and 13.
