Want To Meet Your Favorite Band...NOW?

Step-By-Step Guide Shows You How

Get BACKSTAGE PASSES Today

Dear Concert Goer!

My name is Adam Libman, and I love concerts! I bet you do too.

Hearing the roar of the crowd when the band goes on stage. Listening to a guitar solo. Watching fireworks burst from the stage. I just LOOOOOVE concerts.

I love The Jonas Brothers, Miley Cyrus, Foo Fighters, Red Hot Chili Peppers, and Old School bands like The Cure.

Here is a secret of mine: I have met them ALL! And guess what?

You can too! ;)

After going to so many concerts, my next goal was getting backstage. Meeting the artists of my dreams.

My Mom (she is a teacher) always says: If you want something bad enough, if you work hard enough, you can make your dreams happen. You can do it if you put your mind to it.

So, I learned, worked, watched, studied, observed, and experienced how people get Backstage Passes.

Guess what? I FIGURED OUT HOW TO GET BACKSTAGE PASSES.

And I'm going to show YOU how YOU can do it!

Dave Grohl is my rock hero. Period. I loooooove him. I wish I could marry him. Dave has a wife ; ( ....Anyway, my dream was to meet him and say hi. And I DID!

So, I looked online "how to get backstage passes"...just like you are right now.

The problem is that there is so much information out there, and a lot of it isn't any good.

I know because I read all the other books out there:

;( The Complete Guide to Obtaining Backstage Passes: Hard To Read...Like learning a Quadratic Equation. YUCK!

;( How to Get a Free Backstage Pass: Methods don't work.

;( The Ultimate Backstage Book: Takes waaaaay to long to read.

I also read all the free online information out there. That took soooooo much time finding those websites. There is some good information out there, but it's like buried and hard to find. Plus, you only find a bit here and bit there.

It was frustrating spending over 80 hours learning how to get passes. I did it though!

You can take my years of figuring out to get backstage passes into about 2 hours.

Inside my guide I'll share with you the whole story of how I figured out to meet my favorite artists. Here's one of my secrets: I asked people who do it all the time.

You know how celebrities know where the parties are? It's just a matter of figuring out who the decision makers are, making friends with them, and having them hook YOU up.

I discovered so many tricks on how to get backstage passes once people started sharing their secrets with me!

I've taken the best of everything I've taken the best of everything that I've read online, the best tips and tricks from people who go backstage all the time, and just tricks I've discovered over the years myself.

Plus, this guide is simple and easy to read. There's no baloney in here.

This guide is also current. I wrote it July of 2008, so you know it works NOW.
