The Hacker Angel Shay Villere

At the age of 11 I was writing 100 page spy novels. At the age of 18 I was running the best advice website in the world. At the age of 28 I created the most popular Christian prayer request site in the world. I can fly. I exist in multiple places at once. I have both Jesus Christ and Satan on speed dial, although Satan regrets that. While going through an average day I typically do not care what happens. The only thing I do is help others. My own safety and sanity comes second. Have you known someone like me? I doubt it. My name is Shay Villere. I am The Hacker Angel, and this book will be the first true testament to my life.
