## **The Vampire's Special Lover (Wolves of Stone Ridge Book 16)** Charlie Richards

Vincent Dobs Marché thought he scented his beloved—his fated one-and-only—at a shifter enforcer challenge months ago. Since rogue shifters killed his mother, bonding with one is the last thing he wants to do. He runs from the knowledge, vowing to live his life alone. Fate has other plans. Slowly, blood from human donors becomes unpalatable to him, until it's easier to go hungry than deal with the taste. When he hits the verge of collapse, his friends step in, forcing him to return to Stone Ridge and give the shifter a chance.

When Dobs meets his beloved, Franklin Drunger for the first time, the big, sexy, wolf shifter's blood calls to him. Frankie seems just fine with the idea of Dobs drinking from him, so he gives in to his desire and bites the man. Reb, Frankie's protective older brother, isn't nearly as open-minded and attacks Dobs. Acting on instinct, Frankie defends his mate, shifting to wolf form. Dobs panics at the sight of the wolf and insults his beloved. Angry and hurt, Frankie flees.

Can Dobs learn to accept the gift Fate has given him and convince Frankie to give him another chance? Or is it too late for him to earn the love of the special shifter he's been given?
