Unmasked: Unmasked, Book 1 Cassia Leo

From *New York Times* best-selling author Cassia Leo comes a deliciously dark and mind-bending erotic thriller series.

I was born into this world unwanted. I spent the first hours of my life unloved.

I spent the first 18 years of my life with the parents who tried to shelter me from the harsh reality of my existence. But you can't un-write a sad story if the ending is literally written all over your face.

So I moved out and now I hide. I have a night job that pays the bills. Every night, I put on my mask and walk to work.

Then one night, I hear and see something that will change my purpose in life... forever: a murder that will bring *him* to me.

He says he wants to protect me. And, through a series of events I can't fully make sense of, I find myself believing him. But our nightly visits are always cloaked in darkness. I don't know his face, and he will never know mine.

I was born into this world unwanted. I will leave this world unmasked.

Note: This audiobook is intended for mature audiences due to dark and erotic content.
