L'Assommoir

Émile Zola

L'Assommoir Émile Zola

Producing a vision of horror through his relentless accumulation of facts, Émile Zola expresses in "L'Assommoir" his fascination with the fatalistic nightly inhabitants of Parisian taverns. The novel deals with the struggle for honorable survival made by Gervaise, a lame but proud laundress, whom fate leaves to support herself and her two illegitimate children. Her perennial hope to open her own shop is crushed on the brink of achievement by the added financial burden of a drunken husband and a parasitic lover out of her past. Her complete moral deterioration through drink, the flagrant nihilism of her final street encounters, have placed this book at the pinnacle of naturalistic literary accomplishment. "L'Assommoir" is the nature of man - but not his finer, nobler, cleaner or more cultivated nature, it is the image of his free instincts, the better and the worse, the better struggling as they can, gasping for light and air, the worse making themselves at home in darkness, ignorance and poverty.
