## **Personal Demon (Women of the Otherworld)** Kelley Armstrong

In her acclaimed Women of the Otherworld series, Kelley Armstrong has created a scintillating realm where the supernatural and the human coexist on the edge of darkness, romance, and eternity. Now Armstrong tells the captivating tale of a young woman with an insatiable lust for danger. She can't help it. It's in her blood.

Tabloid reporter Hope Adams appears to live the life of an ordinary working girl. But in addition to possessing the beauty of a Bollywood princess, Hope has other unique traits. For she is a half demon—a human fathered by a demon. And she's inherited a hunger for chaos. Naturally, when she's chosen by a very dangerous group for a very dangerous mission that will take her through Miami's hot spots, she jumps at the chance. But Hope is a little too good at this job. And soon she's in a little too deep. To save herself, she'll have to unleash her most primal instincts—and open herself, mind and body, to everything she most fears . . . and desires.
