**The Stock Market Cash Flow: Four Pillars of Investing for Thriving in Today's Markets (Rich Dad Advisors)** Andy Tanner

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals.

A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities.

The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power.

The book concludes with ideas for an individual action plan suited to the goals of the reader
