**Love is just an elevator ride away....**

Sofia isn't exactly running away from love, but she has other priorities. Still, she can't help but notice her new neighbor, Jamie, in the elevator every morning. Her first impression tells her he's totally type-A and way too serious to be any fun at all. But try as she might, Sofia can't deny that he's tall, well-dressed, and handsome?and he smells so good.

What Sofia doesn't know is that Jamie's been wondering about her, too. He can't seem to get her out of his mind?she's young and gorgeous, but he thinks she might be a little crazy.

Jamie and Sofia quickly learn that first impressions can't always be trusted, and sometimes opposites really do attract.

*Thirty Postcards Away* is a fun, sexy, urban tale of friendship, exes, chance meetings, forgiveness...and elevators.
