Worth Fighting For (A Fighter Erotic Romance Novel) Danielle Forte

Jessica lives a boring life that's only **missing one thing**. Malcolm is an underground fighter who can **never say no to a fight**. Their lives become *hopelessly intertwined* after one wild night of **rough passion**, but afterwards they try to stay as far apart as possible. They aren't meant for each other. Getting together **could be dangerous** for both of them. And Jessica already has a nice job and a nice place, *why would she throw it all away?*

This is a romantic tale of twisted fate and broken rules. Readers should be over the age of eighteen - this novel contains many explicit scenes.

"I really enjoyed this book and it contained everything a girl could want. An engaging, fast-paced plot? Check. A hot, alpha hero? Check. Sexy, steamy scenes? Also check. If you like Fight Romance or MC Romance, I highly suggest you give this one a read." - Ariella D.
