*Love has no rules.*

It's been a year since Eden Munro last saw Tyler Bruce: her stepbrother...and secret love. Although they swore to ignore their feelings and put their family first, Eden can't help but feel excited when Tyler invites her to join him in New York City for the summer.

But it's not like anything is going to happen. Eden is happy with her boyfriend Dean, and she knows gorgeous, green-eyed Tyler must have moved on as well. But as they spend the long, hot summer in the city that never sleeps, it becomes obvious that those old feelings are still there...simmering beneath the surface. Will Tyler and Eden be able to resist temptation?

*Did I Mention I Need You?* is book two in Wattpad sensation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance.
