Get Rich or Die Trying Steve Murphy

Author Steve Murphy dares to step where no humorist has stepped before in his compilation of hilarious short stories, jokes, sketches, and illustrations that he is sure will either make him rich or get him killed. In these stories, Murphy satirizes a children's author as he is put on the stand and drilled about his questionable book titles by an attorney who speaks in italics; shares pick-up lines tailored for a polygamist; offers life lessons from a pee-wee football coach-a former steroid user who is not afraid of anyone; and provides proof that men really can multitask by sharing the unedited thoughts of one such man as he visualizes a better future while taking a bath. Get Rich or Die Trying captures one man's absurd sensibilities as he encourages others to share in the joy of laughter and the craziness of life.
