The Complete Livy: The History of Rome, "Ab Urbe Condita" (Illustrated) (Texts From Ancient Rome Book 3) Titus Livy

"The History of Rome", or "Ab Urbe Condita Libri" is a monumental history of Ancient Rome written in Latin around 27 BC by the historian Titus Livius, known in English as Livy.

This complete anthology of Livy contains all 35 volumes of Livy's work in one ebook, offering great value to readers, instead of splitting them into several different volumes to be sold separately.

"The History of Rome" covers the Roman Era from the story of Aeneas and the mythologized founding of Rome in 753BC, spans the early history of Rome and the vicious wars against the Carthaginian general Hannibal, and runs right up to Livy's own time in the reign of the Emperor Augustus. Only about 25% of the original massive work survives - but that which does provides an unparalleled insight into the Roman World.

This unexpurgated anthology has been compiled by www.Bybliotech.org and optimised for e-readers. It includes an active table of contents for ease of navigation, and features unique illustrations as frontispieces for the individual books in the anthology.

Please visit our website at www.bybliotech.org to browse our extensive range of titles from the Ancient World.
