ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Blitzer's *MyMathLab for Thinking Mathematically with Integrated Review* is a new co-requisite course solution, offering a complete liberal arts MyMathLab® course with integrated review of select topics from developmental algebra.

The course provides the full suite of resources for Blitzer's *Thinking Mathematically, Fifth Edition*, along with additional assignments and study aids for students who will benefit from remediation on developmental topics. Because this is a Ready to Go MyMathLab course, all assignments (both college-level and developmental review) are preassigned (instructors can edit at any time). Printed support resources, including the complete *Thinking Mathematically, Fifth edition* textbook, and *Integrated Review Worksheets* are also available.

This package consists of the textbook plus worksheets and an access kit for MyMathLab/MyStatLab.
