Padre Paulo Ricardo

Um olhar que cura: Terapia das doenças espirituais (Portuguese Edition) Padre Paulo Ricardo

Pe. Paulo Ricardo realiza um estudo sobre oito doenças espirituais – também conhecidas como "espíritos do mal" ou pecados capitais – originárias do excesso de amor por si mesmo. O estudo tem como objetivo ajudar o leitor a fazer o reconhecimento desses males e orientá-lo na terapia de cada um deles. O autor, neste primeiro volume, apresenta três das oito doenças: a gastrimargia (gula), pornéia (luxúria) e a filargíria (avareza), baseando-se nos textos dos Santos Padres, compostos por verdades antigas um tanto esquecidas na atualidade, mas que não deixam de ser adequadas ao homem de hoje.
