Voices From Dickens' London: First-Hand Accounts of Life in the Great Metropolitan Michael Paterson

A fascinating, evocative account of 19th-century London, so well known from Charles Dickens' much-loved novels. This book draws on descriptions of life in the capital from original letters, diaries and newspapers as well as Dickens' own social commentary to paint a vivid portrait of a city undergoing massive social changes. A unique gazetteer section with a modern-day map allows the reader to discover where places and attractions mentioned in the text can be seen in today's London.
