*A Course in Miracles* (ACIM) – the self-study spiritual-thought system that teaches the way to love and forgiveness – has captivated the minds and captured the hearts of millions of people. Delivering inner peace where fear and pain once prevailed, its universal message is unsurpassed in its power to heal. Yet many students report that they have difficulty grasping the principles or keeping up with the lessons. So even while they yearn for the spiritual freedom the Course offers, they put the book aside, hoping to get to it one day.

**Alan Cohen**, ACIM student and teacher for more than 30 years, takes the big-picture ideas of the Course and brings them down to earth in 22 concise, easy-to-understand chapters. Featuring entertaining examples, stories, and real-life applications, this unique, reader-friendly guide will prove invaluable to longtime ACIM students and newcomers alike.

*A Course in Miracles Made Easy is the Rosetta stone that will open doors for you to understand the Course and use it to generate practical, healing results in your life.*
