Coraline: The Graphic Novel Neil Gaiman

Coraline discovered the door a little after they moved into the house.

When Coraline steps through a door in her family's new house, she finds another house strangely similar to her own (only better). But there's another mother there and another father, and they want her to stay and be their little girl. They want to *change* her and never let her go.

Acclaimed artist P. Craig Russell brings Neil Gaiman's enchanting, nationally bestselling children's book *Coraline* to new life in this gorgeously illustrated graphic novel adaptation.
