Researching music: an introduction to the Music MA The Open University

In this free course, *Researching music: an introduction to the Music MA*, we have gathered together materials to allow you to explore the ways in which music may be researched. After thinking about different kinds of musical knowledge and their relationship with various musical practices (including performance, composition, and listening), youâ€™ll be introduced to some of the digital resources and methodologies that inform music research. The next section, which constitutes the main part of the course, explores a variety of different resource types that can be the focus for music researchâ€™including diaries, composer manuscripts, images, and instrumentsâ€™before the final section introduces you to a contentious area of current scholarship: the relationship between music and politics.
