Broken Wings Mara Jacobs

From *New York Times* and *USA Today* bestselling author Mara Jacobs.

I could tell you my name, but then I'd have to kill you.

Forced to live in seclusion, my only contact with the outside world is with my online chat buddies. I give out different screen names with every person except with one: Confessor. To him, and only him, my name is Blackbird. He is my soul mate. At least online.

I make a living buying and selling used computers. Usually I can just ignore the stuff that's left on the machine by the previous owner, but the desktop picture on my newest acquisition stops me cold. It's the face of the man who killed my father twenty years ago. The man who sent me into hiding. The first time, anyway.

I start digging through the machine, telling Confessor about my every move. Except the part about wanting to avenge my father's murder.

A dead body gives me the perfect excuse to leave my nest and head to Tennessee, to find the murderer, and to reclaim my life. Once there, I find myself torn between two men, and pining for my mysterious Confessor. And just when I think I've got things solved, my past is revealed, throwing my plans of vengeance into chaos.
