Solidarity: Hidden Histories and Geographies of Internationalism David Featherstone

In *Solidarity*, David Featherstone addresses a necessary and timely topic. Despite the frequency with which the word "solidarity" is invoked, it has in fact rarely been the subject of rigorous analysis. Instead, the forms that solidarities take are frequently taken as given. This book redresses this situation by drawing on an innovative combination of archival research, oral histories and first-hand participant observation with political movements.

Throughout, Featherstone invokes a rich variety of case studies, from historical solidarities, such as the anti-slavery and anti-fascism movements, right up to present day concerns, such as the anti-corporate globalization movement, and climate change activism. In doing so, the book emphasizes international forms of solidarity which have frequently been marginalized by nation-centered histories of the left and social movements.

Wide-ranging and original, *Solidarity* is a fascinating investigation of an increasingly vital subject.

This book exist new information the information that exist in this guide represented the condition of the world currently. That is important to yo7u to find out how the improvement of the world. This book will bring you in new era of the the positive effect. You can read the e-book on the smart phone, so you can read the idea anywhere you want.

Dwight McBride:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Solidarity: Hidden Histories and Geographies of Internationalism can make you sense more interested to read.
