Summer Apart (The Summer Series Book 3) Amy Sparling

Part 3 of the Summer Series, a spin off of the bestselling Summer Unplugged Series. This is a novella at 22,000 words.

Becca survived her first year of college (barely) and now she's out for summer break. This would be an awesome time to hang out with her mega cute and famous motocross racing boyfriend, Nolan Park, but unfortunately for her, she just broke up with him.

As much as she likes Park, she couldn't handle the emotional turmoil of having him go back home to California after every visit. The paparazzi are watching his every move and Becca doesn't like what she sees about Park online. She thinks the time apart will do her some good.

She's never been more wrong in her life.
