The Photographic History of the Civil War, 10 Volume set on CD (Photographic History of the Civil War, Volumes I, II, III, IV, V, VI, VII, VIII, IX and X)

The Photographic History of the Civil War - Complete 1st edition 10 Volume set These volumes contain an American epic told in actual photographs. The ten volumes contain thousands of scenes photographed between 1861-65 by Matthew B. Brady and many others. Each volume is divided into sections or chapters with articles written by many special authorities on the Civil War edited by Francis Trevelyan Miller (1911-12). 3,629 Photographs taken in the war between 1861-65 accompanied by additional text that identifies people, places or situations plus a wealth of information and reference making this a must have set for any Civil War historian. All ten volumes share a subject, place and surname index. The collection of photographs is in itself an invaluable contribution to military and historical record. The military movements of the Armies and Navies were studied extensively to properly stage the great scenes that are presented in these volumes. This collection also includes a chronological summary and record of historical events and of important engagements of the Union and Confederate Army and Navy. These volumes provide a unique opportunity to see the realities of a war that tore a country apart, not just read about the battles, soldiers and statistics.
